2017 Eastern Great Lakes Chapter Annual Meeting

This year, the Annual Meeting of the Eastern Great Lakes Chapter of the Society of Nuclear Medicine and Molecular Imaging includes a multi-faceted educational program that combines medical imaging and therapy. Sessions will cover recent advances in nuclear cardiology, oncology, brain imaging, pediatrics, fracture risk assessment, and more. We look forward to exciting and informative talks by a diverse group of distinguished speakers including Dr. Gary Dillehay (Northwestern Memorial Hospital), Dr. Frederick Grant (Boston Children's Hospital), Dr. Bennett Greenspan (Medical College of Georgia), Dr. Frederic Fahey (Boston Children's Hospital), Dr. Leonard Freeman (Montefiore Medical Center), Dr. Victor Gerbaudo (Brigham and Women's Hospital), and Anthony Sicignano, BS, CNMT (Yale New Haven Hospital). The chapter will also hold its business meeting, including an election for available positions on our executive.

We hope to see you there and we encourage you to bring a colleague with you!
