2018 Eastern Great Lakes Chapter Annual Meeting

The Eastern Great Lakes Chapter of the Society of Nuclear Medicine and Molecular Imaging, in coordination with the American Board of Nuclear Medicine and the American Medical Association, has created a multi-faceted educational weekend program that combines medical imaging and therapy and also highlights evolving strategies in Board Certification and Advocacy.

We will begin the first day of our meeting with a Leadership Update, followed by several lectures devoted to advances in brain imaging. We will have a panel discussion over lunch about the American College of Nuclear Medicine, the American Medical Association and the SNMMI including what these organizations are doing on our behalf. After lunch, we will listen to an update on neuroendocrine theranostics, response assessment in oncology and appropriate use criteria. We will review regulations in our field and lessons learned from the Japanese Fukushima Reactor Melt-down. The day will conclude with a series of case reviews highlighting technological artifacts, unusual findings and things that can... but should not be missed.

The second day of our meeting will be devoted to cardiac imaging and will include talks on cardiac CT, nuclear cardiology in the peri-operative setting, myocardial blood flow quantitation and artificial intelligence among others.

We have an exciting set of guest speakers including Norman E. Bolus, MSPH, MPH, CNMT, FSNMMI-TS, President of the SNMMI-TS from the University of Alabama -Birmingham; Bennett S. Greenspan, MD, MS, FACNM, FACR, FSNMMI, Immediate Past President of the SNMMI; Delphine Chen, MD, Malinkrodt Institute of Radiology; Gary L. Dillehay, MD, FACNM, FACR, Northwestern Memorial Hospital; Phillip H. Kuo, MD, PhD, The University of Arizona College of Medicine - Tucson; and Piotr J. Slomka, PhD, Cedars-Sinai Medical Center.

Accreditation

CME

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the SNMMI and the Central Chapter SNMMI. SNMMI is accredited by the ACCME to provide continuing medical education for physicians.

CME credits have been applied for. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VOICE Statement

VOICE credit is pending approval from the SNMMI-TS

CAMPEP

SNMMI is applying to the Commission on Accreditation of Medical Physics Education Programs, Inc.

CAMPEP to be able to offer medical physics continuing education credits (MPCEC)
